Bright House Networks launches Fox Business New in high definition today, ending '17 Channels in 17 Days' channel addition campaign

INDIANAPOLIS (Wednesday, Nov. 18, 2009) – Capping 17 straight days of debuting a new high-definition channel for its central Indiana customers, today Bright House Networks launched Fox Business News in high definition on Bright House Networks channel No. 851.

Tuesday, the company launched MSNBC in high definition. Whenever and wherever news breaks, MSNBC HD is on the scene with a team of award-winning correspondents. MSNBC HD also uses the world-class newsgathering resources of NBC News and NBC's more than 200 affiliated stations to assure viewers of the highest quality 24 hours news coverage. MSNBC HD offers truly integrated television, interactive news and dynamic discussion of topical events. MSNBC HD can be found on Bright House Networks channel No. 701.

Since Nov. 2, Bright House Networks has launched a new high-definition channel a day. By Wednesday, the company will have added 17 new high-definition channels in 17 consecutive days, all available to central Indiana digital customers. By early 2010, Bright House Networks plans to offer more than 100 high-definition channels.
